ACADEMIC APPOINTMENTS

- UvA* Since XI 2021 UNIVERSITY OF AMSTERDAM — The Netherlands
Assistant Professor in Philosophy of Language and Cognition.
Institute for Logic, Language and Computation (ILLC) & Department of
Philosophy, Faculty of the Humanities.
- 2017–2021 UNIVERSITY OF AMSTERDAM — The Netherlands
Postdoc in the *Logic of Conceivability Project*. Institute for Logic, Language and
Computation & Department of Philosophy, Faculty of Humanities. (2018–2021:
additionally affiliated with Arché Research Center, University of St. Andrews).
· PI: Franz BERTO
- LMU Munich* 2016–2017 LMU MUNICH — Germany
Postdoctoral fellow in *Scientific Reasoning and Argumentation Project*. Center for
Advanced Studies. · PI: Stephan HARTMANN
- 2014–2017 LMU MUNICH — Germany
Postdoctoral fellow in the Munich Center for Mathematical Philosophy.
- II–VII 2014 LMU MUNICH — Germany
Researcher in the Project *Rational reasoning with conditionals and probabilities.*
Logical foundations and empirical evaluations (PF 740/2-1; DFG Priority Program
SPP 1516 *New Frameworks of Rationality*). Munich Center for Mathematical
Philosophy. · PI: Dr.Dr. Niki PFEIFER.

EDUCATION

- PhD in Philosophy* 2015 University of Groningen, the Netherlands
Thesis: *Between “If” and “Then.” Towards an Empirically Informed Philosophy of
Conditionals.*
Advisor: Prof. Igor Douven
Committee: Prof. David Over, Prof. Hans Rott, Prof. Rineke Verbrugge.
- MA in Philosophy* 2004–2009 University of Warsaw, Poland
Thesis (in Polish): *Belief Reports in Linguistic and Cognitive Perspective.*
Advisor: Dr Justyna Grudzińska.
- Student Exchange* 2008–2009 University of Leuven, Belgium
Erasmus Exchange Programme. Courses: Cognitive Science, Linguistic
Theories and Artificial Intelligence, Foundations of Formal Theories of
Language, Philosophy of Mind and Artificial Intelligence, Decision Theory,
various courses in logic and in analytic philosophy.
- Summer Schools* Interacting Minds Summer School 2019, IRSI 2016, ESSLLI 2012, ESSLLI 2011,
ESSLLI 2010, Warsztaty Logiczne 2007 “Logika i Kognitywistyka.”

QUALIFICATIONS

- 2024 The University Teaching Qualification (Basiskwalificatie Onderwijs (BKO))

FUNDING

- 2025 Open Competition XS Grant for the project "[Experimental Epistemology of Figleaves](#)", 2025-2026.
- 2024 Grant from [UvA FGw Aspasia Fund](#) for a project on framing in health communication, 2024-2025.
- 2016 Travel grant from the LMU Munich's Institutional Strategy *LMUexcellent*.

WORKSHOPS AND CONFERENCES: INVITED TALKS

- 2025 "Motivating the Relevant Ramsey Test" at *Revising Belief & Believing in Revision* Workshop organised in honour of professor Hans Rott, 25 September, University of Regensburg.
- 2024 "Conditionals and goal framing: where a little logic goes a long way." at the 14th Paris-Amsterdam-London Logic Meeting of Young Researchers [PALLMYR-XIV](#), 17 December, University of Amsterdam.
- 2023 "'If' and 'then': Conditionals and inferential connections" at [Models of Reasoning and Normativity Workshop \(RENORM2023\)](#), 15-16 June, Ruhr-Universität Bochum.

- 2022 “Conditionals, Relevance, and the Contribution of “Then” at the *Hyperintensional Formal Epistemology Conference*, 16-17 September, Berlin, Germany.
- 2019 “The Psychology of Conditionals”, invited tutorial at the Dagstuhl Seminar 19032 “*Conditional Logics and Conditional Reasoning: New Joint Perspectives*,” 13-16 January, Schloss Dagstuhl – Leibniz-Zentrum für Informatik, Germany.
- 2018 “True clauses and false connections” at the Workshop “*New Perspectives on Conditionals and Reasoning*,” 5-6 September, Regensburg, Germany.
- “Learning that P is a Reason for Q: Indicative Conditionals, Testimony, and Probabilistic Relevance” at the Workshop “*Recent Work in the Philosophy of Probability and Conditionals*,” 18 May, Munich, Germany.
- “Why missing-link conditionals are odd” at the *19th Szklarska Poręba Workshop on the Roots of Pragmasemantics*, 23-26 February, Szrenica – Szklarska Poręba, Poland.
- “Odd Conditionals” at the *third workshop* of the European Non-Categorical Thinking Project (*EuNoC*), 8 February, Amsterdam, The Netherlands.
- 2017 “What is amiss about missing-link conditionals?” at the Kick-off Workshop of the XPrag-Project SPOCC “*The Semantics and Pragmatics of Conditional Connectives: Cross-linguistic and Experimental Perspectives*” led by Dr. Mingya Liu, 5-6 October, Osnabrück, Germany.
- “Odd Conditionals and the Limits of Pragmatic Explanations” at the *Causation, Explanation, Conditionals* Conference, 21-23 June, Tutzingen & Munich, Germany.
- “The variety of inferences: indicative conditionals and contexts of deliberation” at the *Asymmetry in Causal Inference and Conditional Reasoning*, 27-28 March, Amsterdam, The Netherlands.
- 2016 “Indicative Conditionals: From Language to Reasoning and Back,” *The Relevance of Logic to Human Reasoning* Workshop, 18-19 November, Munich, Germany.
- “Persuading with Conditionals”, invited contribution to Symposium: *Dynamic Inference and Belief Revision* organised by Mike Oaksford, *International Conference on Thinking (ICT2016)*, Providence, RI, United States, August 2016.
- “What Psychology of Reasoning can Teach us about the Meaning of Indicative Conditionals: The Case of a Metalinguistic Theory,” *2nd Belgrade Conference on Conditionals*, 28-31 May, Belgrade, Serbia.
- “What Psychology of Reasoning Can Tell Us About the Meaning of Indicative Conditionals,” keynote talk at *Warsaw Workshop in Philosophy of Language: Logic and Meaning*, 13-14 May, Warsaw, Poland.
- “What are Indicative Conditionals About?” at *EuNoC Workshop*, 19-20 January, Leeds, UK.
- 2015 “A New Kind of a Metalinguistic Theory of Conditionals” at the workshop *Do Conditionals have Truth Conditions? Dynamic and Pragmatic Aspects of Conditionals*, GAP.9 congress, 18-19 September, Osnabrück, Germany.
- 2012 “Inferential Conditionals” at *Conditionals Workshop*, 9 November, University of Groningen, The Netherlands.

WORKSHOPS AND CONFERENCES: CONTRIBUTED PRESENTATIONS

- 2026 “Experimental Epistemology of Figleaves,” at *Speech and Society*:

Contemporary Philosophy of Language Conference at the Department of Philosophy, Cardiff University, 23 June 2026.

- 2025 Poster: “Framing in context Disabling conditions and alternative causes in health communication” at the The 47th Annual Meeting of the Cognitive Science Society (**CogSci 2025**), San Francisco, 31 July 2026.
- “Goal framing in Context: Acceptability and Attitudes” at the 15th London Reasoning Workshop, University College London, 16 July 2025.
- 2024 “Framing, conditionals, and health” at the International Conference on Thinking (**ICT2024**), University of Milano-Bicocca, 10 June 2024.
- 2023 “Conditional reasoning and the framing of health communication” at the 14th London Reasoning Workshop 2023, University of Greenwich, London, 25 July 2023.
- 2021 “Conditional Connections: ‘It’s (just) pragmatics!’ ... or is it?” at the International Conference on Thinking (**ICT2020**), June 2021.
- “Conditionals, inferential connections, and the contribution of *then*” at the **Logic of Conceivability (virtual) Conference**, June 2021.
- 2020 “... *that P is relevant for Q*: Indicative conditionals and learning from testimony” at the 42nd Annual Virtual Meeting of the Cognitive Science Society (**CogSci 2020**), July/August 2020.

- 2013 “Indicatives and a Problem of a Bad Advice,” WiP Seminar, Faculty of Philosophy, University of Groningen, 25 March 2013.
- “Conditionals and inferences” at Logic and Interactive Rationality (LIRa) Seminar at the Institute of Logic, Language, and Computation, University of Amsterdam, The Netherlands, 7 March 2013.
- “Truth Conditions for Conditional Sentences, Allan Gibbard and Ambiguity,” PCCP Seminar, Faculty of Philosophy, University of Groningen, 22 September 2011.

OTHER PRESENTATIONS

- 2025 PechaKucha on the theme of *Vergezichten* at the Faculty of the Humanities Opening of the Academic Year 2025/2026. 18 September 2025, Rode Hoed.
- “Lives of researchers”: a panel for Research Master’s students, with Michael Thomas. OZSW ReMA Winter School, University of Amsterdam, 31 January 2025.

TEACHING

Courses Undergraduate level

- UvA *Philosophy of the Humanities (Language and Cognition)*. Mandatory course (6 EC) for 2nd year BA Linguistics, BA Sign Language Linguistics, and BSc Cognition, Language, and Communication. Lectures, seminar sessions, coordination. Autumn 2020 and every Autumn since 2022.
- Embodied Cognition*. Elective course (6 EC) for BA Philosophy, BSc Cognition, Language, and Communication, and other programmes. Every Spring since 2022.
- Human Cognition*. Mandatory Course (12 EC) for 1st year BSc Cognition, Language and Communication. Lectures and seminar sessions in Part 2 (out of 3) of the course devoted to formal models of cognition. Spring 2022–2024.
- Semantics & Pragmatics*. Mandatory course (6 EC) for 2nd year BA Linguistics and BA Sign Language Linguistics. Lectures and coordination. Spring 2022–2024.
- AUC *Logic, Information, Argumentation*. Mandatory Course for 1st year students of the Amsterdam University College. Spring 2020, 2022–2025, 2027.

Courses Graduate level

- UvA *Rationality, Cognition, and Reasoning*. Elective course (6 EC) for rMA and MA Philosophy and MSc of Logic. Every Autumn since 2022.
- LMU Munich *Topics in the Philosophy of Language: Semantics-Pragmatics Interface*. Advanced seminar, elective for MA in Logic and Philosophy of Science. Summer 2017.
- History of the Analytic Philosophy*. Advanced seminar, elective for MA in Logic and Philosophy of Science. Summer 2016.
- Philosophy of Mind*. Advanced seminar, elective for MA in Logic and Philosophy of Science. Winter 2015/2016.
- Conditionals and Psychology of Reasoning*. Advanced seminar, elective MA in Logic and Philosophy of Science. Summer 2015.
- RUG *Philosophy of Logic: Conditionals*. Elective course for MA Philosophy at the University of Groningen. Co-taught with Igor Douven. Summer 2013.

Lectures

UvA

A guest lecture on Paul Grice and logical connectives. *Logica en de linguistic turn*, BA Philosophy. Every Autumn since 2022; since 2025 in Dutch.

A lecture on conditional reasoning and framing effects. *Logic, Language and Computation Series*, MSc Logic. Fall 2023.

A guest lecture and a seminar session on the theory of mind. *Embodied Cognition*, BA Philosophy, Autumn 2018.

LMU Munich

Where Philosophy of Language and Psychology of Reasoning Meet: The Case of Indicative Conditionals, a lecture at the MCMP Fellows' session of the Fourth Summer School on Mathematical Philosophy for Female Students, Munich Center for Mathematical Philosophy, July 2017.

Learning That If P Then Q, a lecture at the MCMP Fellows' session of the Third Summer School on Mathematical Philosophy for Female Students, Munich Center for Mathematical Philosophy, July 2016.

Conditionals and Cognitive Science, a lecture at the PostDoc's session of the Second Summer School on Mathematical Philosophy for Female Students, Munich Center for Mathematical Philosophy, July 2015.
